PROFILE

Experienced WordPress Developer with expertise in building dynamic, scalable websites using JetEngine, Elementor Pro, and custom HTML/CSS. Expert in e-commerce optimization, custom taxonomies, and advanced form logic. Focused on delivering clean code, fast loading speeds, and exceptional user experiences.

WORK EXPERIENCE

Senior WordPress & Dynamic Web Developer 2023 - PRESENT

Freelance & Remote Agencies

- Developed advanced dynamic websites and booking platforms using JetEngine and Elementor Pro.
- Resolved critical theme conflicts, layout bugs, and database errors to ensure seamless cross-browser and mobile responsiveness.
- Managed end-to-end website deployment, migration, and technical SEO configurations for global business owners.

WordPress Customization Specialist 2023 - 2026

Fiverr & Upwork Marketplaces

- Successfully delivered tailored WordPress solutions to global business owners, focusing on portfolio, landing, and corporate websites.
- Optimized website performance, resolving critical layout alignment bugs and technical SEO issues to improve loading times.

Web Developer & Customizer 2024 - 2026

Local Clients & IT Agencies

- Transformed Figma and Adobe XD mockups into fully responsive, interactive web layouts using Elementor Pro.
- Implemented fundamental HTML5/CSS3 modifications to customize themes and resolve styling inconsistencies.
- Provided proactive website maintenance, ensuring regular plugin updates, daily backups, and security checks.
